Preparing the envelope to send an application

❶ Use a vertical standard-size envelope.

❷ Cut out the printed "address" label on this page and enter your address and name.

❸ Paste it firmly to the front of the envelope.

❹ Put the Individual Number Card Issuing Application inside the envelope and seal it.
 * Please be careful not to bend your ID photo when putting the application form in the envelope.
  * Please note that if the address paper has peeled off or if you use a non-standard-size envelope, it may not be considered as mail and may be returned to the sender.
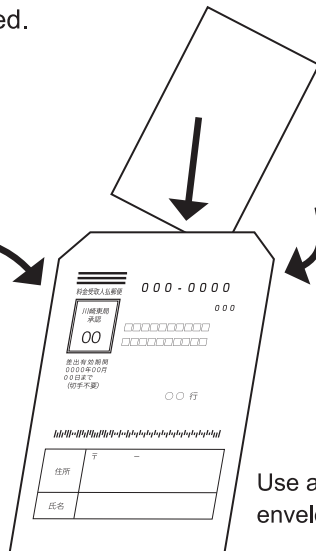

❺ Drop it into a post box.
  * Stamps are not required.

Paste it firmly on the entire front side.

Paste it firmly.

Use a standard-size envelope.
